

Elm Class Homework Menu

The Homework Project has always been a success at Petersfield as we have seen pupils produce incredibly high standards of work. Both in the assembly and in individual presentations, teachers and pupils learnt so much from each other. This term, we continue to set project homework alongside the maths or English homework set each week. This menu details a range of fun activities including Oracy Project activities that can be completed at home to extend your child's learning. Please help your child to choose and complete a selection of these activities. To fit in with your family life, they can be completed after school, at weekends or as a half term project. If you would like further suggestions, please feel free to select from the homework menus of other classes which are all available on the school website. Children will be asked to share at least one of the activities with us in school. **The deadline for this homework is 10th November** and we ask that the homework is not brought in to class until after half term.

English

Write a recount of something you have done at the weekend or a special visit you have had.

Find a story with repeated language and bring it in to share with the class.

Find a poem or rhyme about the weather or seasons. Can you print it out and bring it in to share? Can you recite it to the class?

Visit www.phonicsplay.co.uk and play as many games as possible (FS -Phase 1 and 2 and Year 1s Phase 3-5).

Science

Draw or paint a picture of your favourite animal. Why is it your favourite?

Create your own song to help remember all the different parts of the human body.

RE

Draw, paint or create a picture of Harvest time or the Christmas story.

Think about how Christmas is celebrated in your house. Can you bring in some photos/ pictures you have drawn or taken to show us Christmas in your house?

History & Geography

Can you research a festival? Can you create a poster showing what this celebration looks like.

Bake a Harvest loaf. Research what makes a Harvest loaf.

Think of your own festival what would you celebrate and why? Create a way to present this. It could be a presentation or a labelled picture.

Mathematics

Look for numbers all around you. Can you make a list of all the places you can see numbers? Even better if you can read and write the numbers that you find.

Make a poster by writing numbers/ cutting numbers out of magazines/ leaflets to show numbers all around.

Can you go on a shape hunt? Look around your house/garden/park for shapes. Which shapes can you find? Can you make a poster using pictures/photos about the different shapes you could see?

Expressive Arts/Art & DT/Music

Can you draw or paint a portrait of a member of your family?

Can you paint a picture or make a model of your house?

Can you design and make a healthy fruit salad or smoothie? Take a photo of you making it and describe what it tasted like.

Do you have a favourite song? Can you tell us why you like it so much? Can you practise a song/rhyme to sing to the class? Can you make up a dance to a song you like?
