

Ash & Elm Class Homework Menu

The Autumn Term Homework Project resulted in an incredibly high standard of homework. This term, we continue to set project homework alongside the Maths or English homework set each week. This menu details a range of fun activities that can be completed at home to extend your child's learning. This menu details a range of fun activities including Oracy Project activities that can be completed at home to extend your child's learning. Please help your child to choose and complete a selection of these activities. To fit in with your family life, they can be completed after school, at weekends or as a half term project. If you would like further suggestions, please feel free to select from the homework menus of other classes which are all available on the school website. Children will be asked to share at least one of the activities with us in school. **The deadline for this homework is Wednesday 2nd March** and we will be sharing the work in school the following week.

English

Find a story about a type of toy and bring it in to share with the class. Can you tell us about your favourite part?

Can you write a diary entry to describe a day in your toy's life?

Can you write a detailed description of your favourite toy without using its name? Would someone be able to identify your toy from the description?

Write an adventure story about one of your toys. Where would it go? What would happen?

Visit www.phonicsplay.co.uk and play as many games as possible (Year 1 & 2 Phase 3-5).

Science

What materials can you find and classify at home?

Can you use several materials to build your own toy?
Can you draw a picture of your toy design and label it.

Can you recycle old materials and make something new?

RE

Can you write a poem about Easter?

Can you create your own Easter prayer that you can share with the class?

Can you research how Easter is celebrated around the world?

History & Geography

Can you create a description of an old toy to be placed in the Elm Toy Museum? Could you bring the toy or a photograph in to accompany this?

Can you create a timeline of English toys?
What differences can you notice between the toys our grandparents played with and the ones we play with today?

Mathematics

Can you share items from around your home equally?
Bring in some photographs of these equal groups.

Can you measure yourself and other family members?
Can you identify how much taller or shorter other members of your family are?

Can you create a diary of the temperature outside for a week? How does the temperature differ in the morning compared to when you get home from school?

Toy Story

Art & DT/Music

Can you design your own toy? Can you create an advert explaining why someone should buy and play with your toy?

Do you have a favourite song? Can you tell us why you like it so much?

Can you practise a song/rhyme to sing to the class?

Can you make up a dance to a song you like?
