

Pine Class Homework Choice Menu – Summer 2021

Last term's Homework Project again resulted in an incredibly high standard of homework. This term, we continue to set project homework alongside the Maths or English set each week. This menu details a range of fun activities including Oracy activities that can be completed at home to extend your child's learning. Please help your child to choose and complete a selection of these activities. To fit in with your family life, they can be completed after school, at weekends or as a half-term project. If you would like further suggestions, please feel free to select from the homework menus of other classes which are all available on the school website. Children are asked to share at least one of the activities with us in school. **The deadline for this homework is Wednesday 16th June** and we ask that the homework is not brought into class until after half-term.

As part of our ongoing oracy focus, the children should be able to talk clearly and in detail about their completed project/s.

GEOGRAPHY	COMPUTING	TOPIC
<p>Make a poster to show the different layers of the rainforest. Include pictures/diagrams and write detailed labels to explain what animals and plants inhabit each section.</p>	<p>Create a PowerPoint about the Amazon Rainforest. What interesting facts could you include that others may not know? Try using images and facts. There are lots of great techniques on PowerPoint. We will then share these PowerPoints in class.</p>	<p>Write an adventure story using one of these titles:</p> <ul style="list-style-type: none"> - Lost In The Jungle - The River Monster - Running Wild
POETRY	<h1><u>RAINFORESTS</u></h1>	CREATIVE
<p>Write a poem about the rainforest or an animal that can be found in the rainforest. It does not have to rhyme. Try to include poetry features such as: similes, metaphors, alliteration, personification and a set structure.</p>		<p>Make a 3-D model of an Amazonian animal out of recycled materials.</p> <p>Design and make a model rainforest out of recycled materials and label the different layers, animals and plants. What could you use from our natural environment? How tall do the trees need to be? What might be on the floor of your forest?</p>
ENGLISH		SURVIVAL
<p>Write a letter to our Prime Minister explaining why we need to save rainforests and suggest ways in which we can help e.g. only buying rainforest friendly/Fairtrade products.</p>	<p><u>Create a Rainforest Survival Guide:</u></p> <p>If you were dropped in the rainforest, how would you survive? What would you need to know? What tools would you need?</p>	<p>Make a collage using paint, scraps of material and paper showing the rainforest foliage and flowers.</p>
INFORMATION SHARING	<p>You might want to include a kit list, a 'dangerous animals to watch out for' list, health and safety instructions and any other images and diagrams you want.</p>	USEFUL WEBSITES
<p>Create a leaflet on the Amazon Rainforest. What interesting facts could you include that others may not know?</p>		<p>https://www.dkfindout.com/uk/animals-and-nature/habitats-and-ecosystems/rainforest-layers/ https://www.rainforestanimals.net/ https://www.natgeokids.com/uk/discover/geography/physical-geography/amazon-facts/</p>
