

Yew Class Homework Menu

This term, we continue to set project homework. This menu details a range of fun activities including oracy activities that can be completed at home to extend your child's learning. Please help your child to choose and complete a selection of these activities. To fit in with your family life, they can be completed after school, at weekends or as a half-term project. If you would like further suggestions, please feel free to select from the homework menus of other classes which are all available on the school website. Children are asked to share at least one of the activities with us in school. **The deadline for this homework is Wednesday 25th February** and we ask that the homework is not brought into class until after half-term.

English

Character Profile – Compare Bilbo Baggins with Harry Potter.

Fantasy Setting Description – Write a vivid description of a new fantasy world or Tudor London.

Alternative Ending – Rewrite the ending of The Hobbit or a Harry Potter chapter.

Persuasive Writing – Write a letter convincing someone to join an adventure or move to a desert settlement.

New Creature Creation – Invent a magical creature suited to a desert biome.

Suggested Reading List

Professor Astro Cat's Frontiers of Space – Dominic Walliman

Survivors (Desert Animals edition) – David Long
