

Petersfield Church of England School

Curriculum Information

Elm Class, Spring Term 2021- Britannia

English

This term we will be starting off English learning about recounts, we will be recounting some of the things we have got up to over Christmas. The children will be focusing on developing their sentence structures and the language they are including. We will then focus on poetry and non-fiction writing and will read lots of non-fiction texts about London and Great Britain. We will be creating our own non-fiction posters and information leaflets.

In addition to this, we will continue to have daily phonics, handwriting and reading sessions.

Science

In this unit children will learn about a variety of habitats and the plants and animals that live there. They learn to tell the difference between things that are living, dead and things that have never been alive, and apply this in a range of contexts. They make observations of a local habitat and the creatures that live there, investigating conditions in local microhabitats and how they affect the minibeasts found within them.

Mathematics

Year 1

Multiplication and division through sharing and making equal groups. Finding fractions of shapes (halving and finding quarters) Ordering lengths and heights and use apparatus to measure. Learn the difference between mass and capacity and compare these within objects. The children will also be learning about temperature.

Year 2

Learning to divide and multiply equal numbers. Using fractions to find halves, quarters and thirds of shapes/numbers. To measure in centimetres, meters and millimetres. Learn about mass (kg,g) comparing the differences between mass and capacity. The children will also be learning about temperature.

RE

In RE this term we will be learning about what is Christian worship? What does it mean to be a Christian we will also be learning about the importance of Easter to Christians. Why do Christians celebrate Easter? We will be learning the Easter story and how Easter is celebrated.

History and Geography

In History we will learn about Florence Nightingale. We will look at some significant events from the past and place them into chronological order. We will compare how the local area has changed using maps and look at the differences between hospitals past and present.

In Geography we will use maps, atlases, globes and aerial views to locate where we live and to find Cambridge and London. We will go on a tour of Britain and the local area to learn all about the physical characteristics of different places and use the correct geographical vocabulary to describe them.

Art & DT: Landscapes and seascapes/cooking

Music: Music Express – Going Places

PE: Games and Gymnastics, PE will be on a Tuesday and Thursday.

PSHE: We will explore the importance of working together and investigate our skills and strengths.

Computing: Children will become confident using computer skills including logging on and off the computers, using a range of ICT, choosing and completing a simple programming and learning
